## About Princecroft Willis

Princecroft Willis is the largest firm of independent chartered accountants and business advisers in Dorset and West Hampshire. We pride ourselves on providing a partner-led service which targets the needs of the client and ensures that our advice and support is both focused and co-ordinated.

In addition to providing traditional audit, accountancy and tax compliant services, we have a comprehensive range of in-house specialists including advisers in Corporate Finance, IT, Estate Planning and VAT, with each client having a lead partner who is tasked with ensuring that our advice and support is both focused and co-ordinated. Payroll, accountancy and VAT services are available from our outsourcing company, PW Business Solutions Limited.

Our size and independence enable us to keep overhead costs to a minimum, which means that our fees are competitive even when compared with smaller practices. We are also a genuine alternative to the large national and international firms because of the range of services we provide.

Princecroft Willis is a member of HCWA, an association of independent firms of accountants throughout the UK. The association prides itself on the quality and integrity of its member firms. HCWA members share best practice that is encompassed in the nationally communicated procedures which serve to protect members and their clients.

HCWA is a business affiliate member of Horwath International, one of the world's leading global professional services organisations. Horwath International is represented in nearly 400 cities in over 80 countries.
